## A PRETTY MATRON OWES HEALTH TO PE-RUNA

MRS. ANNA N. KAISER, Had Suffered Severely From Pelvic Catarrh—Cannot Praise Her Cure Too Highly—Read Her Letter.

MRS. ANNA N. KAISER, Two Rivers, Wis., was a sufferer from pelvic catarrh to such an extent that she could scarcely do her own work. In describing her symptoms, she wrote: "I have such terrible backaches and pains below my shoulder blades, way down my back and across my hips, and at times pains in the pelvic organs, so that I am not able to lie down or sleep. I also have pains through my left side and am afraid I may be getting heart trouble."

After taking Peruna and following Dr. Hartman's instructions for several weeks, Mrs. Kaiser reported as follows: "I feel much stronger and do not get nervous as I used to. The pain is entirely gone, except when I work a little too hard. The medicine has done me wonderful good. I am taking Peruna and Manalin. My bowels are also in good condition."

Revised Formula.—"For a number of years requests have come to me from a multitude of grateful friends, urging that Per-na be given a laxative quality. I have been experimenting with a laxative added to quite a length of time, and now feel gratified to announce to the friends of Per-na that I have incorporated such a quality in the medicine with, in my opinion, can only enhance its well-known beneficial character."

Reports Her Cure After continuing the use of her cure, as follows: "I must drop you a line to let you know that I am well now and with your medicine. I must thank you for the advice you gave me. "The medicine is something so good it has done for me and I'm sure many others will be freed from suffering. "I have advised others who are suffering as I did to consult you and are taking my advice. If ever I'm in medicine again, I know that Per-na will help me."

Dr. Hartman's Advice: To every woman suffering from symptoms above indicated, Dr. Hartman extends an earnest invitation to write to him for medical advice.

"S. R. HARTMAN, M. D."
